### About SCORE International

SCORE International has taken tens of thousands of people on short-term mission trips since it was founded in 1984 by Ron Bishop. Our goal is to introduce people to missions by inviting them to travel with us to countries that need to hear the Word of God. Our travelers assist Missionaries and the local churches to help meet the physical and spiritual needs of people all over the world.

We thank you very much for participating in our annual golf tournament to raise funds that will help introduce many people to missions and perhaps change lives.
